

Notice of Annual COR Non-Member Service Fee Changes

Please note that effective January 1, 2017, Enform will be increasing the COR non-member fees. This is a necessary step to support and maintain a sustainable level of services for our COR holders. The following is an outline of the fee changes:

Annual	Non-Member		Fees
Audit Type	Current	New	
SECOR (1-10 employees)	\$500 + tax	\$600 + tax	
MECOR (11+ employees)	\$1000 + tax	\$1200 + tax	
COR (11+ employees)	\$1000 + tax	\$1200 + tax	

Enform’s COR/SECOR services are partially funded by oil and gas employers through their WCB premiums. For more information or to determine if your company is a member or a non-member, please visit our [website](#).

We appreciate your continued support of the Certificate of Recognition program.

For any questions/feedback regarding the fee increase, please email or call us at: corinfo@enform.ca or 1.800.667.5557 extension 3.

Sincerely,
