

SECOR Online Submission Tool Cost Savings Way to Submit Your Audit

It has been over one year since the launch of the SECOR Online Submission tool. Have you tried it yet? Will you be submitting your next audit using the online tool?

In 2015, 33% of Enform SECOR holders used the online tool and saved on the cost of shipping their binders. They also experienced a more efficient and effective use of the process to receive or maintain their SECOR.

Getting set up for the Online Submission Tool is a Two Phase process:

Phase 1

Step One: Watch the [SECOR Online Registration Tutorial](#).

Step Two: Log into My Enform and Click on Auditor Portal then New SECOR Audit Request

Step Three: Complete the registration form and submit. Our team will review and get back to you with the next steps.

Phase 2

Step One: While you are waiting for your registration to be reviewed, watch the [SECOR Online Submission Tutorial](#).

Step Two: To learn how to organize your documents for Online Submission view the [User Quick Guide](#).
